Profile

Full Stack Developer building scalable web and mobile apps with Python (Django, FastAPI) and React.js / React Native. Experienced in integrating Firebase, MySQL, and Twilio to deliver real-time, AI-powered features. Strong in Agile workflows participating in Scrum ceremonies, managing APIs with Postman, and maintaining clean version control with Git. Focused on shipping reliable, user-centered products end to end.

WORK EXPERIENCE

AIS Technolabs Pvt. Ltd.

React Native Trainee

Nov 2023 - Jan 2024

Developed and maintained cross-platform mobile applications using React Native, ensuring seamless user experiences. Collaborated with senior developers to implement best practices in mobile app development, optimizing performance and scalability.

Satva Technology Pvt. Ltd.

PHP Intern

Sep 2022 - Oct 2023

Developed, maintained, and optimized dynamic websites using PHP and MySQL, ensuring high performance and security. Conducted in-depth web research to enhance functionality, improve user experience, and implement best practices.

EDUCATION

Silver Oak University

Bachelor of Computer Application - 8.2

July 2022 - June 2025

New Meghdoot Vidhya Vihar School

12th Standard - 48.5%

June 2021 - May 2022

10th Standard - 59.5%

June 2019 - May 2020

PROJECTS

LostSync – AI-Powered Lost and Found Portal

Developed a web and mobile app for lost-and-found item management using Python, Django, and MySQL. Integrated Twilio and Firebase for real-time notifications, with web frontend in React.js and mobile app in React Native (Expo). Used Postman for API testing and smooth integration.

Blood Donation App

Developed a mobile application using React Native and Firebase to connect donors with recipients. Implemented user registration, real-time notifications, and location-based donor search for improved accessibility.

CERTIFICATE

Android App Development

Achieved A grade from Scholiverse Educare Pvt. Ltd. via Internshala in October 2023, showcasing expertise in Android development and UI/UX design.

SQL and Relational Databases 101

Earned certification in SQL and Relational Databases from IBM, demonstrating expertise in database design, querying, and management using SQL.
